Memo no. HFW-40012/32/2021-HA/419

Date- 16.09.21.

NOTICE

In the context of Infection Control and Prevention in Public Healthcare facilities, **Bio Medical Waste Management** plays a very vital role. The Biomedical Waste (BMW) management requires its proper Segregation, Collection, Storage, & Transportation.

Now at the present scenario, because of the frequent amendments in the BMW Rules by the Ministry of Environment, Forest and Climate Change (MoEFCC) a proper “**Training on Bio Medical Waste Segregation & Management**” has been arranged for relevant healthcare staff, where the members of WBPCB can help to reduce the confusion made by different amendments & changes of the existing BMW rules.

- **Date of Training :** 21.09.2021 (Tuesday)
- **Time :** 12.00 noon to 2.00 PM
- **Mode of Training:** Virtual mode in Zoom platform
- **Trainer:** Members from West Bengal Pollution Control Board
- **Participants:**
 - Dy. CMOH I of all Dristicts
 - All Asst. Superintendents of MCH, DH, SDH,SGH and SSH
 - All Infection Control Nurses of MCH, DH, SDG/SGH, RH/BPHC and PHC
 - District Consultants under District Quality Assurance Unit of all Districts
 - Facility Level Quality Managers.
- **Topic of Discussion:** BMW Segregation Protocol and Management.

MSVPs /Superintandents / BMOHs may include any staff in the training programme beyond the above list, without hampering normal activities but from a single terminal indentifying them by the name of the hospital.

Infection Control Nurses of all PHCs should enter the Zoom VC from the office of the BMOHs and not from separate terminals.

District Consultants under District Quality Assurance Unit will ensure that all participants are present in the said training.

NO staffs are allowed to enter the VC link from separate terminals or personal account.

A detail of the Zoom link is enclosed at the end.

It will be highly appreciated if you arrange a large size TV at your end (connected with the laptop/ computer by a VG cable) for better viewing of all staff in a Conference room maintaining social distancing norms.

This has approval of Mission Director, National Health Mission, WB.
